In the news A training session in conjunction with Keystone Development Trust was held in Thetford on **Sat April 6th**. Six potential volunteers attended and one wrote afterwards. "The session was presented very clearly and I felt engaged from start to finish. Awesome is the word to describe my experience. I am really looking forward to begin assisting young children with their learning to read because I value and appreciate its importance to the individual. Big thank you to Alison and Anne for giving me the tools needed to participate in such a worthy task."
